Cairneyhill

Rich history meets modern charm

Weavers Lane by Ogilvie Homes is a stunning Fife development of three- and four-bedroom homes in the village of Cairneyhill, just outside of Dunfermline.

Join the thriving community in Cairneyhill. Surrounded by stunning countryside, rolling hills and the River Forth, Weavers Lane has a welcoming yet adventurous charm. Based on the phrase 'rocky hill', Cairneyhill is immersed in the adventure playground of the surrounding Fife countryside, with splendid castles, a beautiful coastline and renowned golf courses.

But the area's scenic attractions aren't its only draw. You'll be a 10-minute drive from the gem of Dunfermline, which has a rich heritage in linen weaving, as well as being part of the fabric of history as Scotland's ancient capital – and, more recently, Scotland's newest city. Soak up the heritage, arts scene and bountiful local produce of the region.

Less than an hour from Stirling, St Andrews and Edinburgh, Weavers Lane is in the perfect position to enjoy everything Scotland has to offer. Stroll, relax or lace up your boots and go hiking. It's yours to explore.

Guidelines for buying your dream home

Part 1

Buying an Ogilvie home is simple; our honest and transparent guidelines walk you through exactly what is required – from finding your ideal home to moving in. All our advisors are on hand to answer any questions you may have and will steer you through the whole process, ensuring that your experience is stressless and relaxed.

Once you've chosen your house style and which plot you want to buy, we can assist you with the following:

- Appointing a solicitor to carry out the conveyancing for your purchase is essential. We'll be happy to recommend a solicitor should you require it.
- Financial advice from an Independent Financial Advisor. If you don't have anyone in mind, we can recommend a suitable independent advisor to provide free financial advice, prior to your reservation.

Please ask the sales manager for details.

Reservation agreement

The next stage is formalising your reservation agreement, which will hold your chosen plot and fix the price of the property for the period stipulated (on your reservation agreement), and making your reservation fee payment of £500.* Our preferred payment method is via online banking; however, if this is not available to you, the site sales manager can advise a suitable alternative.

***70% of your reservation fee will be retained should you cancel your reservation prior to concluding the missive contract.**

Concluding legal missive contract

During the fixed period your reservation agreement states, our standard, legal offer-to-sell missive contract

will be sent to your appointed solicitor. The stipulated expiration date on your reservation agreement will be the same as the date we require your missive contract to be concluded by. **These dates are extremely important as the reservation will automatically expire and any incentive offered will be withdrawn should the next stage of concluding the missive contract not have been achieved (unless a written request submitted from your solicitor to ours has been approved by our office) and the plot will be remarketed for sale.** Once you and your solicitor are satisfied with everything, your solicitor will conclude missives on your behalf. At this point, the balance of the deposit will be payable, which is a further £1,000, for a total deposit of £1,500.

Guidelines for buying your dream home

Part 2

Colour selections

With the legalities complete, subject to build stage, you'll be invited to an appointment at the marketing suite to make your colour choices from our excellent range of standard options, plus our client extras range (where applicable), to finish your new home.*

The appointment date agreed will be the final opportunity for processing all colours and any client extras for the property (we are unable to consider any amendments/additions to your colour selections or chosen extras after this appointment date). However, we welcome as many visits by appointment as necessary prior to the final agreed appointment date and time.

*Please be advised that only our pre-approved list of extras will be considered, subject to the build stage of the property at the time.

Following this, we'll keep you informed, at intervals, of the progress of your home, to allow you to monitor

the build programme and anticipated entry date.

As your build progresses, we'll be in a clearer position to advise on a firmer, likely date for completion.

Subject to build stage at point of reservation

Please be advised all dates discussed are 'anticipated' until the property has been passed as fit for habitation by the local authority.

Prior to completion of foundations and ground floor – at this stage we will advise buyers of the anticipated calendar quarter of completion.

When the roof is completed and the building weatherproof – at this stage, our buyer will be advised of the anticipated month of completion.

When the home is decorated, main services are connected and it has been passed as fit for habitation by the local authority and warranty body provider – at this stage, an anticipated move-in date will be

agreed on with you. When your move-in date has been finalised, your funds from your solicitor will be transferred on the agreed date.

You'll receive a personal home demonstration of your new home from our site team representatives, along with the keys to your new home.

On your day of settlement, you'll be provided with the keys to your new home and a one month after entry form to allow you to record any minor snagging issues, which will be reviewed by our site team at the end of the first month.

Details of our emergency customer care number will be provided for any urgent items.

Please visit our website for more information.
